### GERBER AVALANCHE

- 1.28gpf
- Fluidmaster 400A fill valve
- MaP Score: 1,000 grams
- QuietClean™ offers a softer sounding flush that circulates water longer and better.
- KeepClean™ permanent glaze coating provides a super smooth bowl surface that keeps residue from sticking.
- Extra-large footprint is ideal for new construction as well as replacement applications.

*\*Less seat*

### GERBER VIPER

- 1.28gpf
- Fluidmaster 400A fill valve
- 3" flush valve
- Time-saving tall bolt caps
- MaP Score: 1,000 grams
- Model's large footprint is ideal for new construction as well as replacement applications.
- Large dual-fed siphon jet increases flush speed.
